

Workbench Castor Set

Installation Template

Please follow the below instructions when printing this document to scale using Adobe Acrobat:

- 1. Click on "File" then "Print"
- 2. Select A4 paper size
- 3. Under "Page Sizing & Handling", select "Actual Size". This step is very important as this setting keeps the document to scale.
- 4. Click on the print button

After printing the document, please check the dimensions of the template. Make sure it is 140mx25mm.
